

Rückl

1846

# Bohemian Heritage

Rüchl celebrates the exceptional character of Bohemian crystal and its traditional craft of the highest quality. We foster the renaissance of this unique and perfectly cut material. A world renowned treasure from our Czech lands, Bohemian crystal celebrated the coronations of kings, toasts to victories, weddings and peace treaties. Its refined beauty, innate grace and hand-crafted origins inspire each new generation.

Charles IV

# Charles IV

The Cathedral, the University, the bridge  
connecting both river banks.  
The legacy of an Emperor with a clear vision.  
Beauty lasting for centuries.

Rudolph II

# Rudolph II

An era of yearning for mystery and eternal life,  
the glory and abundance of an imperial court that  
welcomed the greatest artists and thinkers of its time.  
Prague witnessed the miracle of Renaissance, when  
the heritage of ancient times transformed into the  
gleaming treasures of today.

Maria Theresa

# Maria Theresa

Elaborate wigs, crystal glasses clinking,  
the rustle of ballooning skirts  
and the ringing laughter of the courtiers.  
The delicate power of an Empress who firmly  
heads the entire monarchy.

All shapes are available in all three decors.

The Rückl family glassworks has designed and produced top-quality crystal since 1846. The family glassmaking traditions sustained these values from generation to generation for well over three hundred years. Its Nižbor manufacture produces exclusive hand-made works by honoring these time-tested techniques. Bohemian crystal that bears the Rückl logo continues a brand heritage in which the art of glassmaking surpasses craft.

It's our mission.
